| | IMPORTANT NOTE: |
| If you change your mind, we can remove your books from the internet, but we can't stop people who already found your book from using it. | If you would like to find out more about the Public Licence, you can find a summary at this website: https://creativecommons.org/licenses/by-nc-nd/3.0/au/ and you can find the full terms of the licence at this website: https://creativecommons.org/licenses/by-nc-nd/3.0/au/legalcode . Creative Commons licenses are not revocable, but this doesn't mean creators can't cease offering a work under the license, it simply means that whoever used the work in the past under a particular licence will continue to have the right to use the work given by that licence, even if you change the licence permissions or revoke the licence for any new users. If you would like more information, see this website: http://wiki.creativecommons.org/FAQ#What if I change my mind.3F |
