

Using the Living Archive of Aboriginal Languages

<http://laal.cdu.edu.au/>

1. Read the story in language - go to the Archive to look at the story with pictures.
2. Summarise the story in English.
3. Find 5 words which repeat. Colour each one a different colour and write the English word above.
4. Write out some of the story in English. Choose at least five sentences.
5. Discuss: Do you notice any differences between that language and English?
6. Choose another story and go through the same process.
